

## Stats & Go – Fan’s Instruction Sheet

Thanks for using StatsAndGo.com to keep track of all your favorite amateur teams and athletes. Here are some simple instructions for making sure you never miss a stat.

### Getting Started

Log onto Stats & Go at **www.StatsAndGo.com**. Add this site to your “favorites” and you won't have to type it in any more.

- From the selection of sports across the top click on the sport in which you are interested. For example, clicking on “Basketball” takes you to basketball stats as shown below.
- Stats & Go archives stats from prior years. You can access these by changing the season year in the “Season” box. In the “Search” box beneath it, you can choose to view stats for either men's or women's teams. Choose one, and click “Go.”

### View State or National Team Rankings

The first time you visit Stats & Go, you will arrive at the “National” team rankings page. The “Search” will reflect this. To access team rankings (team leaderboard) for a given state, click on the arrow next to the word “NATIONAL.” Simply select the state from the drop down menu, and click go. NOTE: Following your visit, Stats & Go will train your computer to remember the state you visited last.

Stats & Go archives stats from prior years. Access them here.

Here you can access national stats or those for a specific state, and for either men's or women's teams.

To view comprehensive team and player stats, simply click on the team name.

The screenshot shows the Stats & Go website interface. At the top, there's a navigation menu with sports categories: BASEBALL, BASKETBALL, CROSS COUNTRY, FOOTBALL, HOCKEY, SOCCER, SOFTBALL, TRACK & FIELD, VOLLEYBALL, and WRESTLING. Below the menu is a search section with a dropdown for "HS - Varsity" set to "NATIONAL", and radio buttons for "Men:" and "Women:". A "GO" button is next to it. To the right, there's a "Sponsor your Team!" banner. Below that, the page title is "Basketball (M) > Rankings". The "Season" dropdown is set to "2004-2005" and the "View" dropdown is set to "All Games". A table of rankings is displayed with columns for Rank #, Team Name, Record, and Total Points. The table lists 9 teams, with Hawaii Prep Academy, HI at the top.

Rank #	Team Name	Record	Total Points
1	<a href="#">HAWAII PREP ACADEMY, HI</a>	1 - 0	10 - 0
